$$9 \text{ } \begin{matrix} \circ \\ \text{S} \end{matrix} + 7 \text{ } \begin{matrix} \circ \\ \text{S} \end{matrix} = 16 \text{ } \begin{matrix} \circ \\ \text{S} \end{matrix}$$

$$8 + \square = 16$$

+

=

Name _____

$$16 - 8 = 8$$

The number 16 has a small cap icon and the letter 's' below it. The number 8 has a small cap icon and the letter 's' below it. The number 8 on the right also has a small cap icon and the letter 's' below it.

$$16 - \square = 9$$

$$\square - \square = 7$$

The number 7 on the right is shown with a dashed top bar and a solid bottom bar, indicating a subtraction problem where the result is 7.
